## GRIEVANCE PROCEDURE

- 10.1 **Definitions** - Any claim by the Association, a teacher, or group of teachers that there has been an alleged violation, misrepresentation, or misapplication of the terms of this Agreement shall be a grievance.
- 10.2 **Time Limits** - All time limits shall consist of school days, except when a grievance is submitted less than ten (10) days before the close of the current school term, the time limits shall consist of all weekdays.
- 10.3 **Procedures:**
- 10.3.1 The parties hereto acknowledge that it is usually most desirable for a teacher and the teacher's immediately involved supervisor to resolve problems through free and informal communications. If, however, the informal process fails to satisfy the teacher, a grievance may be processed as follows:
- 10.3.2 **Step 1:** The grievant(s) shall present the grievance in writing within twenty (20) days of knowledge of the alleged contract violation, stating the article and clause alleged to have been violated and the remedy sought to the principal involved. In an effort to hear the grievance the principal will convene a grievance meeting with the grievant and his/her representative within ten (10) days of receiving the grievance. The principal shall provide a written response to the grievant within ten (10) days after the grievance meeting.
- 10.3.3 **Step 2:** If the grievant is not satisfied with the disposition of the grievance at Step 1, the grievant may refer the grievance to the Superintendent within five (5) days after the receipt of the Step 1 answer. The Superintendent shall arrange a meeting to take place within ten (10) days after the receipt of the appeal. The Superintendent shall provide a written response to the grievant within ten (10) days after the meeting. Association reserves the right to inform the Board if a mutually satisfactory conclusion is not reached.
- 10.3.4 **Step 3:** If the Association is not satisfied with the disposition of the grievance at Step 2 or the time limits expire without a response, the Association may submit the grievance to the Federal Mediation and Conciliation Services for binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association. If a request for a hearing is not filed within thirty (30) calendar days of the date of the Step 2 answer, then the grievance shall be deemed withdrawn.
- 10.3.5 Neither the Board of Education nor the Association shall be permitted to assert any grounds or evidence before the arbitrator which has not previously been disclosed to the other party.

- 10.3.6 The arbitrator shall have no power to amend, modify, add to or subtract from this Agreement and shall be limited to a decision based on his/her interpretation of the meaning or application of this Agreement.
- 10.3.7 Each party shall bear the full costs for its representation in the grievance procedure.
- 10.3.8 Each party shall share equally the cost of the arbitrator and the Federal Mediation and Conciliation Services. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Association.

**10.4 Grievance Assistance**

- 10.4.1 Both parties agree that each shall have a right to choose its own representation during the grievance procedure.
- 10.4.2 If the Association, and the Superintendent agree, Step 1 of the Grievance Procedure may be bypassed and the grievant brought directly to Step 2.
- 10.4.3 If no written response has been rendered by the appropriate administrator within the time limits indicated by a step, then the grievance may be processed to the next step.
- 10.4.4 No reprisals shall be taken by the Board or the Administration against any teacher because of his/her participation in a grievance.
- 10.4.5 A grievance may be withdrawn at any level without establishing a precedent.

## **Article XI**

### **EFFECT OF THE AGREEMENT**

- 12.1 The parties mutually agree that the terms and conditions set forth in this Agreement are fully and completely understood by the parties hereto which may be altered, changed, added to, deleted from, or modified only through written, voluntary, and mutual consent of the parties. The Association in no way waives any rights that it otherwise has by law.
- 12.2 The Association agrees that during the effective dates of this Agreement, it nor any of its members, shall strike or withhold services to the district.
- 12.3 Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, the article, section, or clause shall be deleted from this Agreement to the extent that it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect.
- 12.4 This Agreement shall be effective as of, midnight of day before the first workday of the 2015-2016 school year and shall continue to be in effect until midnight of the day before the first workday of the 2018-2019 school year.
- 12.5 Upon written demand of either party prior to May 1 of the final year of the Agreement, negotiations for a successor Agreement shall commence.

This Agreement is signed on Monday, July 25, 2016.
